Cancellation Policy

# of Days Prior to Departure	Cancellation Fee Per Person
120 days or more	\$200
119 - 61 Days	\$400
60 - 0 Days	No Refund

Travel Protection

We strongly recommend that you purchase a [travel protection plan](#) after making the initial deposit for your river trip. No one ever plans to cancel their Grand Canyon river trip. But, believe us, unpredictable situations arise, like family illness/injury, flight delays, etc. Make sure your coverage includes all your travel dates and not just your rafting trip dates. We suggest Travelex Insurance Services for U.S. residents; international guests, please research your insurance options. It is your responsibility to research and choose the policy that works for you.

National Park Entrance Fee

A fee will be added to all trip fares to cover the National Park Entrance Fee (except for hike-in guests). If anyone in your party is under the age of 16 or has a National Park Pass, you may deduct this fee if we receive an emailed photo of the front and back of your National Park Pass before your balance is paid.

Grand Canyon Fund

An optional \$1 per day will be added to all fares and given to the Grand Canyon Fund. This money funds research and protection of the Grand Canyon and groups working to provide access to trips for those with physical and socioeconomic challenges. If you do not wish to contribute to this fund, you may deduct this fee from the total due by contacting our office.
